Reservations and advance payment are required to hold your place. Others are welcome and will be accepted on a first-come, first-served basis if time allows.

Dogs will be worked quickly through multiple stations. Aversion training will take about 10 to 15 minutes per dog.

For more information about NAVHDA, see www.navhda.org or our chapter web site at www.pnwnavhda.com

Although snake venom vaccine is now available, nothing beats having your dog avoid the vipers in the first place.

Even if your dog has gone through the course previously, a regular "refreshing" session is appropriate and highly recommended.
